MOPS Newsletter Advertising Opportunity!

Dear Business Owner:

Thank you for taking time to learn about Tuesday MOPS and the advertising opportunity we are offering. MOPS (Mothers of Preschoolers) is a non-profit, international organization founded to support, encourage and inspire mothers with children ages birth through kindergarten. Our local chapter brings together approximately 100 women from all over Ventura and Los Angeles Counties.

Our newsletter, *Mothering Matters*, is distributed to members once a month for a total of 8 issues. The newsletter provides engaging, heartfelt information that is relevant to mothers of young children. We are offering you a chance to advertise in our newsletter, reach a highly desirable audience and support a great organization.

Please find below advertising options for the 2008-2009 MOPS year. A sample newsletter from last year is attached. This year the newsletter will include a special section to highlight our Sponsors.
